# VILLABETHNEY

villabethney.com

## D

AI Visibility Grade

---

Scored 2 June 2026 | Report ID: 0zvv-bulk | (Beta)

# EXECUTIVE SUMMARY

---

villabethney achieved an AI Visibility Score of 32/100, earning a Grade D (Needs work) rating. This score reflects how prominently the business appears in responses from major AI platforms when customers search for products or services in this category.

0 of 3 AI providers mentioned villabethney in their recommendations.

The score is calculated across two pillars: Controllable Signals (60%) covering structured data, website quality, content, and online presence; and AI Awareness (40%) covering whether AI models mention, recommend, and rank the business positively.

Report generated: 2 June 2026 | villabethney.com

# SCORE BREAKDOWN

The following table shows each scoring pillar, its contribution weight, the score achieved, and the key signals that drove that score.

| PILLAR            | SCORE               | WEIGHT | DETAILS                                        |
|-------------------|---------------------|--------|------------------------------------------------|
| Structured data   | 0/100 <div></div>   | 35%    | No JSON-LD found on this page.                 |
| Crawlability      | 100/100 <div></div> | 20%    | AI crawlers allowed; sitemap present           |
| Content clarity   | 67/100 <div></div>  | 20%    | Title:  · Meta:  · H1s: 1 · Heading levels: 3  |
| AI-native signals | 25/100 <div></div>  | 25%    | llms.txt:  · OG:  · Twitter:  · HTTPS:         |
| AI awareness      | 20/100 <div></div>  | 40%    | 0/3 models mentioned you. Avg sentiment: 0.17. |

# AI PROVIDER ANALYSIS

The table below shows what each major AI platform said about villabethney when asked to recommend businesses in this category.

| PROVIDER | MENTIONED | SENTIMENT | POSITION   | SUMMARY                                                                                                                                                                                                                                                                                  |
|----------|-----------|-----------|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ChatGPT  | No        | Neutral   | Not ranked | I don't have specific information about the business "villabethney" or its offerings, as my training data does not include details about this particular entity. However, based on the name and the website provided, it appears to be a business that could be involved in a variety... |
| Claude   | No        | Neutral   | Not ranked | I don't have specific training data about Villa Bethney, so I can't speak to their actual reputation or track record. However, based on the name and website domain, this appears to be a villa or vacation rental property. To give you genuinely useful guidance, I'd recommend...     |
| Gemini   | No        | Positive  | Not ranked | Based on the website villabethney.com, Villa Bethney appears to be a vacation rental property, likely a villa or a house, available for booking. While I don't have specific training data on this particular business's reputation or customer reviews, the website itself would be...  |

# RECOMMENDATIONS

The following recommendations are prioritized by estimated impact on your AI Visibility Score.

## HIGH PRIORITY

### Establish Unique Selling Proposition (USP) for 'Villa Bethney'

+8 points

#### CONTENT

Add this text to your website to help AI chatbots identify and recommend your business.

At Villa Bethney, we specialize in providing an authentic, private villa experience in the heart of La Mulata III, Dominican Republic, perfect for families and groups seeking both relaxation and adventure. Unlike larger resorts, our charm lies in offering personalized service, a secure, tranquil environment, and direct access to the vibrant North Coast attractions of Cabarete and Sosua, all just 15 minutes from Puerto Plata International Airport (POP). We're not just a stay; we're your home base for experiencing the true Dominican Republic.

### Add JSON-LD structured data

+15 points

#### STRUCTURED DATA

Your site has no JSON-LD schema. Add an Organization or LocalBusiness schema with name, address, phone, hours, and URL. This is the single biggest factor for how AI models understand your business.

```
ORGANIZATION.HTML
<script type="application/ld+json">
{
  "@context": "https://schema.org",
  "@type": "Organization",
  "name": "villabethney",
  "url": "https://villabethney.com",
  "logo": "https://villabethney.com/logo.png",
  "description": "villabethney",
  "telephone": "+1-555-555-5555",
  "address": {
    "@type": "PostalAddress",
    "streetAddress": "123 Main St",
    "addressLocality": "City",
    "addressRegion": "State",
    "postalCode": "12345",
    "addressCountry": "US"
  },
  "sameAs": [
    "https://twitter.com/yourhandle",
    "https://www.linkedin.com/company/yourbusiness"
  ]
}
</script>
```

### ChatGPT doesn't mention you specifically

+5 points

#### AI AWARENESS

When asked about this business, ChatGPT gave a generic answer. Build out structured data, get listed in directories that this model trusts, and publish authoritative content about the offering.

### Claude doesn't mention you specifically

+5 points

#### AI AWARENESS

When asked about this business, Claude gave a generic answer. Build out structured data, get listed in directories that this model trusts, and publish authoritative content about the offering.

### Gemini doesn't mention you specifically

+5 points

#### AI AWARENESS

When asked about this business, Gemini gave a generic answer. Build out structured data, get listed in directories that this model trusts, and publish authoritative content about the offering.

## MEDIUM PRIORITY

### Add an FAQ schema with common questions

+6 points

#### STRUCTURED DATA

FAQ schemas are heavily mined by AI chatbots. Pick the 5–10 questions customers actually ask and answer them on your site with FAQPage markup.

#### FAQ-SCHEMA.HTML

```
<script type="application/ld+json">
{
  "@context": "https://schema.org",
  "@type": "FAQPage",
  "mainEntity": [
    {
      "@type": "Question",
      "name": "Do you offer a free trial?",
      "acceptedAnswer": {
        "@type": "Answer",
        "text": "Yes, we offer a 14-day free trial with no credit card required."
      }
    }
  ]
}
</script>
```

### Write a meta description

+4 points

#### CONTENT CLARITY

Add a 140–160 character meta description that clearly explains what your business does. AI models often quote it directly.

#### META-DESCRIPTION.HTML

```
<meta name="description" content="Acme Coffee Roasters: small-batch specialty coffee roasted weekly in Brooklyn. Free shipping on orders over $30.">
```

## Publish an llms.txt file

+7 points

AI-NATIVE

llms.txt is an emerging standard (like robots.txt for AI). Add /llms.txt at your root listing your most important pages with brief descriptions. Early adopters get cited more often by AI models.

```
LLMS.TXT
# villabethney

> villabethney

## Core pages
- [About](https://villabethney.com/about): Who we are and what we believe.
- [Pricing](https://villabethney.com/pricing): Plan options and what's included.
- [FAQ](https://villabethney.com/faq): Answers to common customer questions.

## Documentation
- [API docs](https://villabethney.com/docs): Developer reference.
```

# SAFE AI INTEGRATION FOR YOUR BUSINESS

---

AI is reshaping how customers discover and choose businesses. Glance helps African enterprises integrate AI safely into their workflows, improving team productivity, customer acquisition, and revenue without the compliance and reputational risks of moving too fast.

Our engagements cover AI Visibility Audits, Agentic Workflow Design, and Custom AI Integrations tailored to your industry. Every engagement starts with your AI Visibility Score as the baseline and ends with measurable improvement.
