RECOMMENDATIONS

The following recommendations are prioritized by estimated impact on your AI Visibility Score.

MEDIUM PRIORITY

Complete your Organization schema fields

+6 points

STRUCTURED DATA

Your Organization schema is missing key fields. AI models use `name` to identify you and `telephone`/`address` to answer 'how do I contact X'. Add the missing fields to unlock the full score.

Add an FAQ schema with common questions

+6 points

STRUCTURED DATA

FAQ schemas are heavily mined by AI chatbots. Pick the 5–10 questions customers actually ask and answer them on your site with FAQPage markup.

      "acceptedAnswer": {
